THE FIRST SHIFT
HELPING KIDS FALL IN LOVE WITH HOCKEY

Are you between 6 and 10 years old? Would you like to try playing hockey but don't have any equipment and not sure you want to commit to an entire 6 month season?

Tavistock Minor and District Minor Hockey Association in partnership with Bauer and Hockey Canada have just the program for you!

We will outfit you, from Head to toe, with brand new hockey equipment! It will be professionally fitted by the professionals from Bauer Canada to make sure you are safe and properly protected with the best equipment!

Next you will get 6 fun filled ice times where you will learn the FUNdamentals of the game! We want to ensure you get all the attention you need so our player to instructor ratio is 4:1.

If you decide you'd like to play some more, we'll have another 6 week session after Christmas. It's completely up to you and you get to keep the equipment when you are done!

Here's the Part your parents will love! The cost of the program is only \$125 for all the Equipment and the first 6 ice time sessions!
